**Procedures for reviewing, updating, modifying, or terminating agreement:**

The Academic Directors from both programs will meet annually to review the articulation agreement. They will be expected to review student retention, progress to graduation including transitions between prerequisite and follow-up courses, degree completion, and student employment. Modification or termination of this agreement requires the approval of the Chief Academic Officers of both institutions.

Should the agreement be modified or terminated, Hostos Community College shall honor the terms granted to students who have already transferred into the A.A.S. in Early Childhood Education program for a period of four years or graduation, whichever comes first.

**Procedures for evaluating agreement, e.g., tracking the number of students who transfer under the articulation agreement and their success.**

The CUNY Institutional Research Database will be used to track all transfer students, including their performance (credit accumulation and GPA) and persistence (retention and graduation).

**Sending and receiving college procedures for publicizing agreement, e.g., college catalogs, transfer advisors, Websites**

Both the School of Professional Studies and Hostos Community College value this agreement and see it as a "win" for our students. Both schools will feature the agreement in their annual bulletins, course catalogs, Web sites, and program marketing materials.
