Towards the end of the semester, anonymous and confidential student course evaluations are conducted for each course at SPS. Included below are the average ratings for two questions: (1) "My overall satisfaction with the instructor was:" and (2) "My overall satisfaction with the course was:". For both questions, the highest possible score is 5 (excellent); the lowest possible score is 1 (below average).

Evaluations are ordered by course and section number (lowest to highest). To search for a specific instructor or course, use Ctrl F (Windows) or Cmd F (Mac).
