Financing your summer courses will require some planning on your part, but the good news is that you may be able to use financial aid to pay for the summer session. Keep in mind that each of these awards will require that you meet satisfactory academic progress. Summer Session Financial Aid Options for Undergraduate Degree Students

The 2019/20 FAFSA became available on October 1, 2018. If you apply early, you will be informed of your financial aid award in May 2019. Summer is considered the first term of the academic year, and you may be eligible for any or all of the following financial aid programs to pay for your summer classes:

PELL GRANT

You must complete your summer classes to receive a summer Pell grant. If you unexpectedly drop or withdraw from classes, your award may be reduced or cancelled and you will be responsible for the balance of your tuition. If you receive Pell for a class or classes you do not attend, you will have to return those funds immediately to the college.

TUITION ASSISTANCE PROGRAM (TAP)

If you are an undergraduate degree student attending summer sessions, you may be eligible to receive a summer TAP award. In order to calculate your award eligibility, your courses from Summer 1, Summer 2, and Summer 3 will be added together to form a single summer term.

The enrollment requirements for summer TAP are:

1. If your combined summer session enrollment totals 12 or more credits that are applicable to your degree, you will be considered full-time for TAP enrollment purposes. If you receive a full-time summer TAP award, you will utilize one full semester of your remaining TAP eligibility.

2. If your combined summer session enrollment totals at least 6 but fewer than 12 credits, you will be considered for a half-time TAP payment. All classes must be applicable to your degree. If you receive a half-time summer TAP payment, you will utilize half of a semester of your remaining TAP eligibility.

3. You must have earned at least 24 degree credits that are applicable to your degree requirements in the Fall 2018 and Spring 2019 semesters. These credits could be earned in any combination (i.e., 12 + 12, 6 + 18, etc.). However, you must have earned a minimum of 12 credits in Spring 2019.

All summer TAP awards count towards your remaining TAP eligibility. You may receive no more than 8 full semester payments.

Summer is the first term of the 2019/20 academic year; therefore, you must file a TAP application for 2019/20 and request payment for the summer term. You will be linked to TAP after completing the FAFSA at https://www.fafsa.gov or you will be sent a reminder to file for TAP after your FAFSA is processed. You can also apply directly at hesc.ny.gov.

FEDERAL DIRECT LOANS

You must complete a 2019/20 FAFSA to be considered for a loan. Once your FAFSA has been processed, you will need to:

- Complete a Federal Direct Loan application
- Complete entrance counseling at www.studentloans.gov
- Sign your promissory note at www.studentloans.gov

Please review the FAFSA thoroughly and contact us if you have any questions. You must be enrolled at least half-time in order to qualify for a loan. Changes in your enrollment status can compromise your eligibility to receive loan funds.

Undergraduates must meet satisfactory academic progress, you may review these requirements on our website at https://sps.cuny.edu/financial-aid-and-tuition/financial-aid/maintaining-eligibility.
